Application Granted. For the reasons stated below, the Court finds that the ends of justice served by excluding the time between today and May 2, 2022, outweigh the best interests of the public and the Defendant in a speedy trial The Honorable Lorna G. Pursuant to the Court's Order dated December 8, 2021, the Government writes respectfully to request an exclusion of time from today through May 2, 2022, the date of the next scheduled conference in this matter. The Government submits that an exclusion of time is in the interest of justice in that it will permit the Government to produce discovery to the defendant and provide him with sufficient time to review the Government's discovery productions and assess what motions, if any, he will make. The parties also intend to discuss a potential pre-trial resolution of this matter. See 18 U.S.C. § 3161(h)(7)(A). The defendant consents to this request.

> Respectfully submitted. DAMIAN WILLIAMS United States Attorney
